CANDY MOON

CreateSpace Independent Publishing Platform. Paperback. Condition: New. Nick Nixon (illustrator). This item is printed on demand. 34 pages. Dimensions: 11.0in. x 8.5in. x 0.1in. Lighthouse Christian Publishing announces the release of Candy Moon, a new childrens picture book. This newest work by Londa Hayden offers a realistic and practical answer to parents who struggle with keeping Christ in Christmas for their children. What is the true meaning of Christmas A question not asked often enough in this world of high-tech materialism. Candy Moon is a charming and endearing story that carries the theme of giving to those less fortunate. Parents and children alike, ages preK through third grade, will experience riding along with the Thompson family on their way to help a family in need, and their children realize the joy of giving. This timeless childrens picturebook offers vivid illustrations by renowned artist and cartoonist, Nick Nixon. Bright colors light up each page from the toy shop train to Grandpa sharing the story of Jesus birth and a glowing candy moon at the end. The carefully crafted wording gives older children ease in reading to their younger siblings and friends. The familiar scripture of Christ birth, reminiscent of A Charlie Brown Christmas, is also included. A childrens book of this nature is long overdue, and one surprisingly not available before now. In a world where traditional values are challenged, Candy Moon fits well as a classic family favorite. This item ships from La Vergne, TN. Paperback.
