This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2012 in the subject Business economics - Business Management, Corporate Governance, grade: 1,1, Mannheim University of Applied Sciences (Wirtschaftsingenieurwesen), language: English, abstract: Migration is not a temporary fashion. For thousands of years people have left their native country to build a new existence. But there are different reasons like economical, societal or political factors. Most people tried to find their self-determination, but there were stampedes due to wars or natural catastrophes, too. (cf. Karl Kübel Stiftung 2006) Pierre Eliot Trudeau, the former Canadian prime minister, said that the power of a country is not only about military or economy but also about liberality and openmindedness. But after the attack of the World Trade Centre in 2001 by Islamic terrorists, an antipathy against foreigners emerged in many countries. The fear of different cultures in the own country pushes the care about the national engagement and the loyalty between the population. In industrial countries migrants are often shown as a lower-level community which wants to profit from the better social system. But it should be noted that in most countries the migration and integration policies...
