REPAIRING THE BREACH (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.After more than 1800 years of division between Christendom and the Hebrew roots of our faith, maybe it is time to go back and consider the breach. Millions around the world are doing just that and finding that maybe, in jettisoning everything that looked Jewish, we mistakenly threw out some very important parts of our faith that Scripture clearly says are forever. Repairing the Breach explores a number of these issues of division and considers what Scripture says as compared to doctrines and traditions handed down from our fathers. If you are looking for a compassionately written, first-hand exploration into these ancient paths and our need to reconsider the Way of our Father, then this is the book. Together, with seminary trained author, Pete Rambo, you can discover what it means to be repairers of the breach, restorers of the streets on which to dwell. (Isaiah 58:12).
