WHEN A JEW RULES THE WORLD

WND Books. Hardcover. Condition: New. 288 pages. In the past thirty years, the trend among American evangelicals view of Israel has shifted dramatically. There is a sudden rise of anti-Israel and anti-Semitic sentiment among Christians today. At gatherings such as the pro-Palestinian Christ at the Checkpoint conference in Bethlehem to the Boycott, Divestment, Sanctions movement on university campuses around the world, a new generation of Christians are not only turning away from traditional support for Israel, but from the very belief that there yet remains any ongoing calling and election upon the Jewish people. As this portentous shift is seen on a growing number of evangelical seminaries, and even on Facebook, are Scripturally-grounded Christians prepared to provide solid responses In this seminal and hard-hitting work, Joel Richardson exposes the dangers and theological bankruptcy of this growing trend. When a Jew Rules the Worldsets the record straight regarding the New Covenant, the millennium, eschatology, and what every Christian must know about Israel. Is the Abrahamic Covenant relevant today Has the Old Testament been replaced How should gentile believers relate to unbelieving Jews What exactly is Islamic Supersessionism Richardson answers these questions and more as he carefully walks the reader through the most essential passages of the Bible that must be understood if one desires to combat the growing Christian anti-Semitism. As the rage and resistance of Satan to Gods plans with Israel continues to spread throughout the earth, now is the hour for discerning Christians everywhere to arm themselves with a clear understanding of these profoundly foundational matters. (Joel Richardson) This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
