Introduction Music videos are an important part of the lifestyle of many youths, they have been spread over the whole world by the television channel MTV (Music Television)¹ and they have become an essential aspect of the popular culture. Obviously, the Hessian curriculum has realized the importance of music videos: The topic 'Young People Exploring the World' ('Jugendliche und ihre Welt') for 11th grade includes the sub-topic 'Culture and Media' ('Kultur und Medien')². This sub-topic deals with all sorts of pop culture, (music, videos, literature, advertisements, fashion, sports, etc.). Music videos are excellent for matters of foreign language education, they provide authentic material³, which is a welcome variation for many pupils who are only used to artificial learning materials, and they are very interesting for pupils because they are part of their everyday life. Therefore, music videos provide a brilliant opportunity for the...
