HarperCollins Publishers Inc, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. From the highly acclaimed author of Don t Try to Find Me and This is Not Over comes the unforgettable, harrowing story of a young broadcast journalist who discovers a mysterious diary from a female broadcaster in 1991 featuring startling-and frightening-parallels to her own life.You might be wondering what a diary from 1991 has to do with you. You re about to find out. Those who don t learn from the past are doomed to repeat it.Twenty-four-year-old Cheyenne Florian has just received her dream job offer. On the strength of a few vlogs, she s recruited to be the new correspondent on the recently hatched Independent News Network, INN.With the slogan Because independent thinking is the only way out, INN has branded itself as innovative. It s almost as if someone is engineering the similarities in Cheyenne s life to match those from Elyse s past, like she s a pawn in a very twisted game. But Cheyenne is determined to rewrite the rules and play her own game. Though they re separated by more than twenty-five years, Elyse and...
