Reviews

I actually started out reading this book. It can be packed with wisdom and knowledge I discovered this ebook from my dad and i suggested this book to understand.

(Prof. Barney Harris)

Kensington Publishing, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. No one captures the true spirit of America like William W. Johnstone and J.A. Johnstone. Jacknife is their most pulse-pounding and timely thriller yet. America Is Under Attack And this time, it s not New York City or Washington. A sleeper cell of Middle Eastern terrorists are targeting the heartland: an all-American superstore on opening day, right outside of Fort Worth, Texas. The day after Thanksgiving. As insurance, the terrorists have also hidden a suitcase nuke somewhere in the store which they plan to detonate--a strike fifty times worse than 9/11 that will paralyze America. A Plot To Cripple The Country Brad Parker is the lone American intelligence agent who uncovers the plot after a raid on a terrorist training camp in Pakistan. But Parker is one man up against the inept bureaucracy of Homeland Security and the State Department--who refuse to listen. . .and now it s too late. They Call Him Jacknife The only thing stopping the kill-crazy terrorists is already inside the superstore--a truck-driving, former Special Forces op named John Jacknife McCabe. He s where the perfect terror plan is about to blow apart. Because Jacknife won t go down without a fight. And with this guy as leader, the terrorists will find their way to paradise a lot sooner than they think. . .
