Rizzoli International Publications, United States, 2009. Hardback. Condition: New. Language: English . Brand New Book. The restaurant Indochine has gone from trendsetting pioneer in the mid-1980s to established scene-maker in the 1990s, to the iconic status it holds today. With spectacular images presented by some of the most renowned photographers, celebrities, and writers, Indochine celebrates twenty-five years of being an important legacy in New York s downtown social swirl, where celebrities rub elbows with downtown hipsters, uptown moguls mix with East Village club kids, and fashion designers with artists and gallery owners. Vintage photographs from the 1980s and 90s are mixed with contemporary collages and Polaroids taken during Indochine s most notorious private parties. Stories by Salman Rushdie, Moby, Julianne Moore, and Bob Colacello are combined with photographs by Patrick McMullan, Roxanne Lowit, and Patrick Demarchelier, along with artworks by Francesco Clemente, Helmut Lang, Tom Sachs, Ruben Toledo, Narciso Rodriguez, Ross Bleckner, and Julian Schnabel, among many more.
