Forgotten Books. Paperback. Condition: New. This item is printed on demand. 230 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Excerpt from Lawn Tennis: In Our Own Country But this the tennis court keeper knows better than I. - King Henry IV. When Lawn Tennis was first played in England, some years before its introduction in this country, it differed from the game of to-day mainly in the dimensions of the court and net, and the shape or construction of the implements used in playing. If we are to believe what we read, it was the crude invention of an English officer, who, in all probability, was seeking for a game which would not only satisfy the English love of manly sport, but also afford an easy medium of exercise for himself and one or two of his friends.
