Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 126 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Tinnitus symptoms can range from annoying to stressful to downright disabling. If you have tinnitus, it is usually something you are desperate to get rid of. Tinnitus, quite frankly hasn't taken up a lot of room when it comes to research on the various treatments medicine has to offer those with tinnitus. This is partly because doctors don't know the cause of many cases of tinnitus and because the known causes of tinnitus are many. This means that, in traditional medicine, there are few options for treatment with the exception of some neural medications, anxiety medications and antidepressants that can make a difference in those who have tinnitus. Some of the best ways to manage tinnitus is through alternative and natural remedies. This is where Tinnitus No More can help. In Tinnitus No More, you will learn: - How to recognize Tinnitus - 3 proven steps to curing Tinnitus by changing your diet - 6 time tested and proven strategies for treating Tinnitus naturally - WARNING: 3 things you should never do when it comes to treating Tinnitus - Simple but often overlooked tips and tricks for preventing tinnitus from happening in the future - And much more.
