1st World Library, United States, 2007. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.It was not an uncommon tragedy of the West. If slightest chronicle of it survive, it must be discovered among the musty and nearly forgotten records of the Eighteenth Regiment of Infantry, yet it is extremely probable that even there the details were never written down. Sufficient if, following certain names on that long regimental roll, there should be duly entered those cabalistic symbols signifying to the initiated, Killed in action. After all, that tells the story. In those old-time Indian days of continuous foray and skirmish such brief returns, concise and unheroic, were commonplace enough. Yet the tale is worth telling now, when such days are past and gone. There were sixteen of them when, like so many hunted rabbits, they were first securely trapped among the frowning rocks, and forced relentlessly backward from off the narrow trail until the precipitous canyon walls finally halted their disorganized flight, and from sheer necessity compelled a rally in hopeless battle. Sixteen, -ten infantry-men from old Fort Bethune, under command of Syd.
