Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Writing your novel is difficult, but it's worth the effort. Even if you never share your novel with anyone else, completing your first book is a huge achievement—both personally and professionally. The problem is that writing is hard. Very hard. 99.99 of people never try to write a book and of those that do, another 99 never finish their work. If you're ready to take the first step and start your book, I want to make sure you finish it. The odds are stacked against you, so it's imperative that you do everything in your power to make it. And I think I have a strategy that just might help you. I've been improvising since 2010. Even when I was just learning the craft, I could see how improv could impact my writing. Just like being on stage is terrifying (with no script, mind you), so is facing the blank page while writing. Every week that I improvise, I face this fear. Stage time has built courage in me that I then can transfer to the written page. It's also given me a toolkit for creating characters and generating future plot points. And that's what I'd like to show you in this course: I've boiled down the essentials of improvising a one-act play, beginning with facing your fear and moving on to the nuts and bolts of writing a good novel. I hope that these techniques and tips will help you finally finish your book—all over the next 30 days. This book will teach you: Day One: How to brainstorm the big life-changing event that kicks your character...
