

The U.S. Congress: A Very Short Introduction (2nd Revised edition)

By Donald A. Ritchie

Oxford University Press Inc. Paperback. Book Condition: new. BRAND NEW, The U.S. Congress: A Very Short Introduction (2nd Revised edition), Donald A. Ritchie, In the second edition of The U.S. Congress, Donald A. Ritchie, a congressional historian for more than thirty years, takes readers on a fascinating, behind-the-scenes tour of Capitol Hill, pointing out the key players, explaining their behavior, and translating parliamentary language into plain English. No mere civics lesson, this eye-opening book provides an insider's perspective on Congress, matched with a professional historian's analytical insight. After a swift survey of the creation of Congress by the constitutional convention, he begins to unscrew the nuts and pull out the bolts. What is it like to campaign for Congress? To attract large donors? To enter either house with no seniority? He answers these questions and more, explaining committee assignments and committee work, the role of staffers and lobbyists, floor proceedings, parliamentary rules, and coalition building. Ritchie explores the great effort put into constituent service-as representatives and senators respond to requests from groups and individuals-as well as media relations and news coverage. He also explores how the grand concepts we all know from civics class-checks and balances, advise and consent, congressional...

Reviews

This written ebook is fantastic. It is probably the most incredible ebook we have read. Its been written in an extremely basic way in fact it is just following i finished reading this publication where basically modified me, affect the way i think.

-- **Howell Reichel**

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
