Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I go back to ask the question, what happened before? The Sovereigns (our Governors) reigned absolutely over each Colony (the British name). We called ourselves [States.] At that point in time, following the First Revolutionary War, each State was a separate free and independent Country. A Nation, just like France, Germany, Spain and even England. Our Governors, individual Sovereigns controlled each State. THEY set the stage, for us to become a total free and independent Nation of Nations, by allowing an elected person to be the Front Man, shown to the world. This arrangement precluded any State from becoming the leader. They set Two distinctions; (1) the people; and (2) the States will collectively vote for this person. The Sovereign s will draw the lines in the sand we travel on; the front Man; an elected person, called a President, (operates under and at the pleasure of the Directors) he will guide our Nation through the ravages of time (following that line.) Our Governors will monitor this activity; as they, with a simple majority, represent [the pinnacle of Power] providing what they do does not violate anything in the Constitution. A safe guard was written into the Constitution to prevent the collapse of this premise. Ironically, what they built was a compounded apparatus of interwoven Government control where Federal and State activities were intermixed. There are NOT TWO separate Governments; We are to be a single entity, and no one knows that? I believe the events of the mid 1800 s provided the ammunition to deceive the public trust by dividing the people first; then the rest became an easy target. We are certainly divided today; and...
