

The New Germany (Paperback)

By George Young

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The following account of events in Germany during the period from the Armistice to the Treaty of Versailles was written mostly in the summer of 1919. But the events of the succeeding period from the signature of the Treaty to its ratification during the autumn and winter call for no alteration and but little addition to the text. The six months hereinafter described from February to August were a-perhaps the-critical period for Germany and for Europe. It was the formative and creative stage for New Germany and for New Europe.
