

The Sketchnote Workbook: Advanced techniques for taking visual notes you can use anywhere (Mixed media product)

By Mike Rohde

Pearson Education (US), United States, 2016. Mixed media product. Condition: New. Workbook. Language: English . Brand New Book. The Sketchnote Workbook, the follow-up to Mike Rohde's popular The Sketchnote Handbook, shows you how to take the basic sketchnoting skills you learned in the Handbook and use them in new and fun ways. You think you have fun taking sketchnotes in meetings? Try using them to record your travels. Or start a food journal. Or break out those visual notetaking skills in your next brainstorming session-whether you're at work or school, or just trying to figure out how to organize the paper that's due next week. The Sketchnote Workbook comes with a 2+ hour companion video that brings the ideas you read about in the book to life. Mike takes you on the road with him to various locations to show you first-hand how to use sketchnotes to generate ideas, document processes, map out projects, learn new languages, create visual to-do lists, and capture the everyday experiences that mean the most to you-whether it's a trip, a meal, or an episode of your favorite TV show. Don't worry. You don't need to know how to...
