AWAKEN HIS EYES: THE AWAKENED BOOK ONE (PAPERBACK)

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The physical dimension is fractured. What remain are numerous fragmented worlds moving simultaneously through time, sharing a common history, connected only by a guarded portal. On a parallel earth, in the city of Bastul, Colonel Adair Lorus disappears while investigating the death of an informant, triggering a series of events which will tear his family apart and set in motion the resolution of an ancient struggle. Kael, sentenced to death after rising up against the cruel leadership of his new step-father, is rescued from prison and trained in the arts of war by a mystical order of clerics. Excelling in every aspect of his training, Kael inwardly struggles to give himself fully to the methods of his new family, or the god they worship. Maeryn, bitter over the disappearance of her husband and supposed execution of her son, fears for her life at the hands of her newly appointed husband. Finding comfort and purpose in her unborn child, she determines to undermine his authority by reaching out to an underground social movement known as the Resistance. After being forced from his home, Kael's former mentor, Saba, uncovers a clue to Adair's disappearance. Sensing a connection to his own forgotten past, Saba begins an investigation which leads to the discovery of a secret military organization operating within the Orudan Empire. In book one of his bestselling debut series, Jason Tesar launches an epic saga that will journey from earth's mythological past to its post-apocalyptic future, blending the genres of fantasy, sci-fi, and military/political suspense.
