

The Plague Cycle: A Collection of Linked Short Stories (Paperback)

By Maya Alexandri

Spuyten Duyvil, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.For much of recorded history, travelers on the Nile considered the vast swampland called the Sudd to be an impassable barrier (al-sadd, from which Sudd derives, is akin to obstacle in Arabic). The Sudd frustrated countless attempts to locate the source of the Nile. The Plague Cycle recounts an outbreak of Ebola virus within the ambit of the Sudd. Its narrator is a local staff member of an international NGO who digs graves at a quarantine camp. Acquainted with several tribal languages, as well as Arabic and Swahili, the narrator relates all in a version of global English --globoish.

Reviews

A superior quality publication and the font utilized was intriguing to read. I could comprehend every little thing using this composed e publication. You will like the way the author compose this publication.

It is just one of the most popular ebook. It usually fails to price an excessive amount of. You will not really feel monotony at any moment of your time (that's what catalogues are for about when you check with me).
