Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Mit Ranzel Und Wanderstab: Eine Schulerwanderung Durch Den Nordlichen Schwarzwald Emil F rommel was a native of South Germany. Born at Karlsruhe, the capital of the grand-duchy of Baden, on Janu my 5, 1828, as the son of the director of the ducal art-gallery of that place, he received his preparatory instruction in the gymnasium of his native town. At the universities of Halle, Erlangen, and Heidelberg, he devoted himself to the study of divinity. In 1850, he was called as vicar to the village of Alt Lusseim near Schwetzingen (baden), whence four years later he went as vicar to Karlsruhe, his native town. In 1864, he accepted a call to Barmen, that great industrial center of West phalia, and five years later the position of military chaplain to the Berlin garrison. Hardly had he become familiar with his new surroundings, when, in July 1870, the Franco-german war broke out. As a field-chaplain he followed the army into France, camping amidst his beloved blue soldier boys during the siege of Strassburg (alsace), and preaching to them, after the surrender of that old stronghold, the first German sermon in St. Thomas church. In June 1871, on the triumphal return of the Berlin garrison, F rommel occupied again the pulpit of the Garmsonkrc/ze and delivered, in the presence of Emperor Wilhelm I and the allied German sovereigns, that memorable sermon in commemoration of the heroic dead. On the occasion of the 150th anniversary of the consecration of the Gamzlrnckz rclze, he was made chaplain to the Imperial Court.
