

Neobaroque in the Americas: Alternative Modernities in Literature, Visual Art, and Film (Paperback)

Filesize: 5.08 MB

Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Brian Miller)

University of Virginia Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. In a comparative and interdisciplinary analysis of modern and postmodern literature, film, art, and visual culture, Monika Kaup examines the twentieth century's recovery of the baroque within a hemispheric framework embracing North America, Latin America, and U.S. Latino/a culture. As neobaroque comes to the forefront of New World studies, attention to transcultural dynamics is overturning the traditional scholarship that confined the baroque to a specific period, class, and ideology in the seventeenth century. Reflecting on the rich, nonlinear genealogy of baroque expression, Neobaroque in the Americas envisions the baroque as an anti-proprietary expression that brings together seemingly disparate writers and artists and contributes to the new studies in global modernity.
