Reviews

Very useful to any or all group of folks. It really is rally interesting throgh reading through period of time. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Mrs. Dorris Wintheiser)

STEVE BIDDULPH S RAISING GIRLS (PAPERBACK)

HarperCollins Publishers, United Kingdom, 2013. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Steve Biddulph s Raising Boys was a global phenomenon. The first book in a generation to look at boys specific needs, parents loved its clarity and warm insights into their sons inner world. But today, things have changed. It s girls that are in trouble. There has been a sudden and universal deterioration in girls mental health, starting in primary school and devastating the teen years. Steve Biddulph s Raising Girls is both a guidebook and a call-to-arms for parents. The five key stages of girlhood are laid out so that you know exactly what matters at which age, and how to build strength and connectedness into your daughter from infancy onwards. Raising Girls is both fierce and tender in its mission to help girls more at every age. It s a book for parents who love their daughters deeply, whether they are newborns, teenagers, young women - or anywhere in between. Feeling secure, becoming an explorer, getting along with others, finding her soul, and becoming a woman - at last, there is a clear map of girls minds that accepts no limitations, narrow roles or selling-out of your daughter s potential or uniqueness. All the hazards are signposted - bullying, eating disorders, body image and depression, social media harms and helps - as are concrete and simple measures for both mums and dads to help prevent their daughters from becoming victims. Parenthood is restored to an exciting journey, not one worry after another, as it s so often portrayed. Steve talks to the world s leading voices on girls needs and makes their ideas clear and simple, adding his own humour and experience through stories that you will never forget. Even the illustrations,...
