Outskirts Press, United States, 2008. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The Tsunami Earthquake Prophecies Two supernatural celestial events occurred, one, 2.6 billion years ago and, another, 47,000 years ago. Yet these events came together in one prophetic moment with a monumental terrestrial event in our time, the 2004 tsunami earthquake. Find out how the secrets of God are revealed in these events. You will find the answers to questions scientists are dying to know and Christians need to know. Dr. Norton has been given remarkable insights into these incredible prophecies. These are the most significant prophetic events in the last 150 years! Don't miss them! Understanding prophecy can be as difficult as putting a jigsaw puzzle together without looking at the picture on the box. As you read this book you will see pieces of the puzzle coming together. By the time you reach the end, you will not only get the picture, you will understand what the individual pieces are and what they represent. Shaking Heaven Earth actually takes you through the process of studying prophecy and gives you tools that you can use in studying other prophecies. Without realizing it, you will learn how to study Bible prophecy.
