The Complete Guide to Building Your Own Tree House: For Parents and Adults Who Are Kids at Heart

By Robert Miskimon

Paperback. Book Condition: New. Paperback. 240 pages. As children, many people dreamed of having a tree house, a place where they could get away to play and relax. Today, more and more people are making this dream a reality for their children, especially in the United States, England, Germany, France, and Brazil but it does not have to be just for children. (In fact, Corbin Dunn, 31, took up a permanent residence in a tree house in Santa Cruz, California for five years.) The Complete Guide to Building Your Own Tree House will show you how to create one of these sky-high getaways, whether it is a child's play area or an adult hideaway. The oldest documented tree house is located in England on the grounds of Pitchford Hall and dates back to the 17th century. This proves that a tree house can be a lasting investment, especially if you choose the right tree and the right materials. This book will show you how to select a tree, prepare the tree, purchase the best materials, use the right tools, and buy lumber. You will learn about the tree house basics and the anatomy of a stable tree house,...
