Christianity and the teachings of Jesus faced scrutiny from its beginning, until this very day. Nevertheless, the Christian faith has the largest religious following in the world. It is also the most profitable religious institutions. Born into Christianity, the author does the unthinkable; shines a rather bright light into the crevices of the christian belief basement. Investigating common teachings, assumptions and even the facts presented, Mr. Benjamin leaves no room for doubt. Armed with scripture, the author shows what we think we know, versus what is actually written. Word definitions and side by side references to words, verses and even prophecies, get ready for an intellectual ride you'll never forget.
