Reviews

This book is wonderful. It really is written in easy words and never difficult to understand. I am quickly can get a satisfaction of reading a created ebook.
(Carley Huels)

SOCIAL STRATIFICATION IN THE UNITED STATES THE AMERICAN PROFILE POSTER

[DOWNLOAD](#)

New Press, The. Paperback. Condition: New. 56 pages. Dimensions: 0.0in. x 0.0in. x 0.0in. Generations of educators, organizers, and activists have relied on this brilliantly designed book-and-poster set, originally published in 1979, to illustrate the magnitude of Americas economic divide. Today, income inequality is at an all-time high, and awareness of the issue is growing proportionately. The financial crisis of 2008 changed the economic picture for all Americans and helped the richest among us grow their holdings, even as income for the rest of us has remained stagnant. Folded inside the companion booklet, the now-iconic poster depicts color-coded figures that make it possible to compare social groups at a glance and to understand how income distribution relates to race, sex, education, and occupation. For the first time ever, the poster has been redesigned to represent the level of educational attainment among Americas social classes. The booklet shows how to make the most of the poster in the classroom and beyond and reveals the seismic changes in Americas social landscape over the past few decades with respect to who owns what, who earns what, who works where, and who lives with whom. This much-anticipated update of the eye-opening (Chicago Tribune) presentation of American society, drawn from the 2012 Current Population Survey of the U. S. Census, will be an essential resource and a touchstone for the current debates over education, inequality, poverty, and jobs in our country. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
