## risk :: nonchalance (Paperback)

By Laura Neuman

Omnidawn Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Selected by Hoa Nguyen as winner of the Omnidawn Poetry Chapbook Prize Seeking a trans poetics in encounter s work, the interlocking poems in risk:: nonchalance ask: what more do you want me to risk for our art practice? Gesture originates in bodies moving -- no, citation -- no, on the page -- no, on the bus. In wacky, asymmetrical scale, embodiment s impossible questions hang on fragments of schema, meta juice bogs down tiny lines, and line breaks signal perceptual shifts through which individual and collective gestures rotate. This is a break-up book, if what is breaking up is the notion that there is a lover or a reader or a non-essentializing feminism waiting faithfully outside the poem, immune to its machinations. The poems document two dance process the author participated in, in Philadelphia and Toronto, during the spring of 2016.
