Tachyon Publications, United States, 2009. Paperback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Offering timely advice in an era when the burden of production and publicity frequently falls on authors, this essential reference reflects on methods for being focused, productive, and savvy in the craft of writing. Discussing a wide range of essential topics for self-promoting authors, this important guide explores questions such as How can authors use social media and the internet? How does the new online paradigm affect authors, readers, and the book industry? How can authors find the time to both create and promote their work? and What should never be done? Through good-humoured encouragement, practical tips of the trade culled from 25 years of experience as a writer, reviewer, editor, publisher, agent, and blogger are shared. Including topics such as personal space versus public space, deadlines, and networking, the benefits of interacting with readers through new technologies is revealed.
