CRACKING THE FLOURISHING CODE

Explore the Globe Marketing LLC, United States, 2014. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Right now, the world is in dire need of unconventional thinkers. Conventional thinking has created enormous problems and issues that only unconventional thinking will be able to address. We need cutting edge businesses and organizations, new technologies, and new approaches. We need YOU to step into your genius, whatever it is, and express your gifts. In Cracking the Flourishing Code, entrepreneur and business thought leader Pat Black gives unconventional thinkers the tools to: Step away from conventional community consciousness to become a confident outlier. Debunk the so-called wisdom of conventional beliefs about career and business. Create a healthy eco-system of support. Build a flourishing mindset. Uncover your unique gifts for career success and personal fulfillment. Praise for CRACKING THE FLOURISHING CODE: Cracking the Flourishing Code is a welcome addition to the growing literature on positive psychology. As a consciousness researcher, I welcome it and would encourage you to read it and consider a positive lifestyle. - Amit Goswami, quantum physicist and author of The Self-Aware Universe, The Quantum Doctor, and Quantum Creativity: think quantum, be creative. Conventional thinking may have gotten us to where we are today, but is that a good thing? In this unconventional work, Black paves the road for creative thinkers to embrace their abilities and design a new paradigm in which our global community can truly thrive. Black s personal story, and the steps he outlines here, will help you to make an important discovery: The things you perceive as internal barriers may indeed be your greatest gifts. - Marla Tabaka, International Success Coach / Inc. magazine author From Albert Einstein to Malcolm Gladwell, unconventional thinkers have changed the world. Finally a book for...
