MJ: THE GENIUS OF MICHAEL JACKSON

SIMON SCHUSTER, United States, 2016. Paperback. Book Condition: New. Reprint. 211 x 140 mm. Language: English . Brand New Book. The definitive biography of Michael Jackson, a vivid gripping, authoritative account of a world-changing force of nature (Rolling Stone), celebrating the King of Pop 's legendary contributions to music, dance, and popular culture. From the moment in 1965 when he first stepped on stage at age seven in Gary, Indiana, Michael Jackson was destined to become the undisputed King of Pop. In a career spanning four decades, Jackson became a global icon, selling over four hundred million albums, earning thirteen Grammy awards, and spinning dance moves that captivated the world. Songs like Billie Jean and Black and White altered our national discussion of race and equality, and Jackson 's signature aesthetic, from the single white glove to the moonwalk, defined a generation. Despite publicized scandals and controversy, Jackson 's ultimate legacy will always be his music. In an account that reminds us why Michael Jackson was, indeed, a genius entertainer (New York Newsday), Rolling Stone contributing editor Steve Knopper delves deeply into Jackson 's music and talent. From the artist 's early days with the Jackson 5, to his stratospheric success as a solo artist, to Beat It and Thriller, Bad and The Man in the Mirror, to his volatile final years, his attempted comeback, and untimely death, Knopper draws on his critical and reportorial savvy in assessing Jackson 's creative peaks and valleys, (USA TODAY) exploring the beguiling and often contradictory forces that fueled Michael Jackson 's genius. Drawing on an amazing four hundred interviews ranging from Jackson 's relatives, friends, and key record executives to celebrities like will.i.am and Weird Al Yankovic this critical biography puts his career into perspective and celebrates his triumph in art..
