THE PROMISING GOD

Richard P. Bucher. Paperback. Condition: New. 164 pages. Dimensions: 9.2in. x 6.1in. x 0.4in. Two common problems ensure that most Christians will see but a few of God's promises fulfilled. The first problem and the real focus of this book-- is that most Christians are totally unprepared for HOW God keeps his promises--how God gets from point A (making the promise) to point B (making the promise come true). That's a big problem, because . . . the way God gets from promise to fulfillment is so utterly strange and unexpected that many wrongly conclude that what he promised isn't going to happen. That God has said, No! So they give up and move on--and lose out on the blessing. With copious examples from the Bible, *The Promising God* will for the first time--pull back the curtain on God's promise-keeping methodology in easy to understand language. To prepare you. So you don't give up on the promised things and lose out on the blessings. The second problem is that most Christians know only a handful of Biblical promises. That's a problem, because God gives most of his blessings through his promises. The Christians who know more of God's promises, believe them and know how to use them, will experience far more blessings. *The Promising God* will show you how. In *The Promising God*, author and theologian Richard Bucher reintroduces us to the God that Christians worship. He truly is the promising God. Promise-making and keeping is not just another of his divine characteristics. It is an essential aspect of his identity as God. It is who he is. It is what he does. God sure made a lot of promises . . . why does it seem sometimes that he doesn't keep them? *The Promising God* is for people who have often wondered...
