Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.

World Weaver Press. Paperback. Book Condition: New. Paperback. 324 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Only she knows the truth that can save her people. Like all Taakwa, Malia fears the fierce winged creatures known as Jeguduns who live in the cliffs surrounding her valley. When the river dries up and Malia is forced to scavenge farther from the village than normal, she discovers a Jegudun, injured and in need of help. Malia's existence, her status as clan mother in training, her marriage, her very life is threatened by her choice to befriend the Jegudun. But she's the only Taakwa who knows the truth: that the threat to her people is much bigger and more malicious than the Jeguduns who've lived alongside them for decades. Lurking on the edge of the valley is an Outsider army seeking to plunder and destroy the Taakwa, and it's only a matter of time before the Outsiders find a way through the magic that protects the valley—a magic that can only be created by Taakwa and Jeguduns working together. Malia is in a race against time. She must warn the Jeguduns that the Taakwa march against them and convince the Taakwa that their real enemy isn't who they think it is before the Outsiders find a way into the valley and destroy everything she holds dear.
