Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. How do you forgive someone who has hurt you but hasn't apologized? How do you heal a rift when the other person ignores your attempts to make things right? While it's true that reconciliation requires a willing partner, the path to restoring a broken relationship begins with your choice to forgive. Restoring Relationships is a six-week study guide that helps you understand how to transform your attitude and behavior so that you can live in peace with all of your relationships, especially those that may need to be restored. The material can be used by individuals but is enhanced when shared in the dynamics of a small group with others. As you discuss biblical teachings and personal struggles, report on your progress, pray together, and encourage and hold one another accountable, you will not only learn new things, you will become a new person. Restore your hope in the healing power of love by practicing forgiveness and reconciliation in practical ways that will positively affect both your present and future relationships.
