Rethinking Liberal Education (Hardback)

By -

Oxford University Press Inc, United States, 1997. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Liberal education has always had its share of theorists, believers, and detractors, both inside and outside the academy. The best of these have been responsible for the development of the concept, and of its changing tradition. Drawn from a symposium jointly sponsored by the Educational Leadership program and the American Council of Learned Societies, this work looks at the requirements of liberal education for the next century and the strategies for getting there. With contributions from Leon Botstein, Ernest Boyer, Howard Gardner, Stanley Katz, Bruce Kimball, Peter Lyman, Susan Resneck Pierce, Adam Yarmolinsky and Frank Wong, Rethinking Liberal Education proposes better ways of connecting the curriculum and organization of liberal arts colleges with today's challenging economic and social realities. The authors push for greater flexibility in the organizational structure of academic departments, and argue that faculty should play a greater role in the hard discussions that shape their institutions. Through the implementation of interdisciplinary and collaborative approaches to learning, along with better integration of the curriculum with the professional and vocational aspects of the institution, this work proposes to...
