

Big Book of Reincarnation: Examining the Evidence That We Have All Lived Before (Paperback)

By Roy Stemman

Hierophant Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Is DEATH the FINAL CHAPTER? In The Big Book of Reincarnation, Roy Stemman attempts to answer one of the big questions of existence: Is death the end? Or, is it the merely the end of a chapter in the book of existence? A self-described skeptical believer, Stemman uses his skills as a professional journalist to perform an in-depth exploration of reincarnation. Using case studies, anecdotes, and physical evidence from the best-documented cases from around the world, Stemman shines a bright light on this subject, inviting readers to decide for themselves on the basis of facts, rather than on the basis of hearsay, speculation, and superstition. Stemman finds fascinating examples of evidence of reincarnation in the nightmares of a Louisiana bayou boy, the past-life recall of a renowned neurosurgeon, the research of a highly respected university professor, and the unique system of governance in the mountains of Tibet, to name just a few. He examines the lives of those affected by reincarnation, such as children who can actually remember their previous lives. Instead of shying away from the skeptics, Stemman evaluates their leading theories and compares them...
