Frances Lincoln Publishers Ltd, United Kingdom, 2009. Paperback. Condition: New. Reprint. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Outside the King s palace stands an enormous tree, its top hidden by clouds. No one has ever climbed to the top or collected any of its seeds. Rosa s stepmother and stepsister Irma are always calling Rosa a monkey because she can climb anything, from drainpipes to trees. So when the King proclaims that whoever brings down some seeds from the tree-top shall marry his son, Rosa decides to make her step-family laugh on the other side of their faces. Shelley Fowles gloriously funny adaptation of a traditional Hungarian folk tale is accompanied by illustrations in the colourful, sophisticated-naive style which she has made her own.
