Reviews

An incredibly amazing book with perfect and lucid information. I was able to comprehend everything using this written e book. I realized this book from my dad and i advised this ebook to understand.

(Hank Ruecker DDS)

THE CAY

Random House Children s Books, United States, 2003. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. Read Theodore Taylor s classic bestseller and Lewis Carroll Shelf Award winner The Cay. Phillip is excited when the Germans invade the small island of Curacao. War has always been a game to him, and he s eager to glimpse it firsthand until the freighter he and his mother are traveling to the United States on is torpedoed. When Phillip comes to, he is on a small raft in the middle of the sea. Besides Stew Cat, his only companion is an old West Indian, Timothy. Phillip remembers his mother s warning about black people: They are different, and they live differently. But by the time the castaways arrive on a small island, Phillip s head injury has made him blind and dependent on Timothy. Mr. Taylor has provided an exciting story The idea that all humanity would benefit from this special form of color blindness permeates the whole book The result is a story with a high ethical purpose but no sermon. New York Times Book Review A taut tightly compressed story of endurance and revelation At once barbed and tender, tense and fragile as Timothy would say, outrageous good. Kirkus Reviews * Fully realized setting artful, unobtrusive use of dialect the representation of a hauntingly deep love, the poignancy of which is rarely achieved in children s literature. School Library Journal, Starred Starkly dramatic, believable and compelling. Saturday Review A tense and moving experience in reading. Publishers Weekly Eloquently underscores the intrinsic brotherhood of man. Booklist This is one of the best survival stories since Robinson Crusoe. The Washington Star . A New York Times Best Book of the Year . A School Library Journal Best..
