## GUERRILLA ADVERTISING 2: MORE UNCONVENTIONAL BRAND COMMUNICATIONS (PAPERBACK)

Laurence King Publishing, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. Advertising is changing fast, in order to hold its own in an ever-changing media landscape. The traditional channels of TV, press and poster simply won't reach some target audiences. Instead, clients demand project-specific solutions involving social media networks, stunts in public places, street propaganda and more. This book showcases the varied and inventive tactics that are being used today by big-name brands, non-profit organizations and individuals to promote themselves, their ideas and their products. Projects of this title include: giant afro combs stuck in topiaried shrubs to promote a play set in a barber shop; an inflatable pig wedged between two skinny Manhattan buildings to advertise dental floss; musical grooves in a road, only audible if you drive at the safe limit of 40 mph; and, street buskers launching a new Oasis album in New York. Over 70 international campaigns are featured, grouped according to their approach: Stunts, Street Propaganda, Sneaky Tactics, Site-specific campaigns and Multi-fronted attacks.
