

World Trade Report 2017: Trade, Technology and Labour (Paperback)

Filesize: 4.45 MB

Reviews

It is one of the most popular publications. We have read through it and I am sure that I will likely study it again once more later on. I am just delighted to tell you that this is actually the finest publication we have read through in my individual existence and might be the best PDF for actually.

(Mr. Cloyd Schmidt II)

WORLD TRADE REPORT 2017: TRADE, TECHNOLOGY AND LABOUR (PAPERBACK)

World Trade Organization, Switzerland, 2017. Paperback. Condition: New. Language: English . Brand New Book. The World Trade Report 2017 discusses the effects of international trade and technological progress on labour market outcomes. It aims to provide an objective and balanced, research-based assessment of these effects in developed and developing countries and to inform readers about possible policy responses to adjustment problems and distributional effects, regardless of their sources. It is part of the response of the WTO to the current anti-trade rhetoric fuelled by concerns that trade may cause job losses and raise inequality.
