Struik Publishers (Pty) Ltd, South Africa, 2018. Paperback. Condition: New. Language: English . Brand New Book. What kind of president will Nkosazana Dlamini-Zuma be if she is chosen at the ANC s December 2017 congress? She has been fairly media averse and hasn t granted many interviews in the past few years, but taking a closer look at her history does provide some clues about the kind of leader she is. In this book, journalist Carien du Plessis looks at Dlamini-Zuma s early years, education and involvement in the struggle; her role as a cabinet minister under all four presidents of democratic South Africa; and her achievements as African Union Commission chairperson. The book considers her feminism and political philosophy; tracks her presidential ambitions and campaigning; and explores how her personal relationship with one of her most important backers, President Jacob Zuma, will influence her leadership.
