CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Written in a lively and accessible style, *Antiquity Now* opens our gaze to the myriad uses and abuses of classical antiquity in contemporary fiction, film, comics, drama, television - and even internet forums. With every chapter focusing on a different aspect of classical reception - including sexuality, politics, gender and ethnicity - this book explores the ideological motivations behind contemporary American allusions to the classical world. Ultimately, this kaleidoscope of receptions - from calls for marriage equality to examinations of gang violence to passionate pleas for peace (or war) - reveals a classical antiquity that reconfigures itself daily, as modernity explains itself to itself through ever-expanding technologies and media. *Antiquity Now* thus examines the often-surprising redeployment of the art and literature of the ancient world, a geography charged with especial value in the contemporary imagination.
