## GREAT POP THINGS THE REAL HISTORY OF ROCK N ROLL FROM ELVIS TO OASIS

Verse Chorus Press. Paperback. Condition: New. 232 pages. Dimensions: 9.9in. x 7.0in. x 0.7in. The comic strips of Colin B. Morton and Chuck Death deliver an irreverent, heartfelt, and devastatingly funny history of rock and roll. Like Monty Python at its best, their version is surreal and ridiculous - yet somehow everything in it rings true. According to Morton and Death, the bass player in Led Zeppelin was Jean-Paul Sartre. And despite having been able to think up brilliant titles for their first three albums, Led Zeppelin were stuck for what to call the fourth one - so they put a load of prunes on the front. In strip after strip, Morton and Death pinpoint the absurdities and oddities of rock history. In the process, they often come closer to its truth than conventional accounts do, as well as being far more entertaining. As for the drawings, their caricatures of rock stars from Mick Jagger to Frank Zappa, Johnny Rotten to Courtney Love, are in themselves worth the price of admission. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
