

East of the Oder: A German Childhood under the Nazis and Soviets (Hardback)

Filesize: 1.33 MB

Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

The History Press Ltd, United Kingdom, 2013. Hardback. Condition: New. Language: English . Brand New Book. Luise Urban was born in 1933 into a world about to be turned upside down. Her family lived east of the river Oder. Crucially, her family were not Nazi Party members and suffered as a result. As the Third Reich crumbled and the Red Army advanced, she was one of 15 million Germans trapped in a war zone during the terrible winter of 1945. Weakened by starvation and forced to flee their home, it was only the bravery of Luise's mother that saved the family from total destruction. The Oder-Neisse line (Oder-Neisse-Grenze) is the German-Polish border drawn in the aftermath of the war. The line primarily follows the Oder and Neisse rivers to the Baltic Sea west of the city of Stettin. All pre-war German territory east of the line and within the 1937 German boundaries was discussed at the Potsdam Conference (July-August 1945). Germany was to lose 25% of her territory under the agreement. Crucially, some might say (including most certainly Luise Urban) callously, Stalin, Churchill and Truman also agreed to the expulsion of the German population beyond the new eastern borders. This meant that almost all of the native German population was killed, fled or was driven out by force. In *East of the Oder*, Luise relives that harrowing time, written in memory of her mother, to whom she owes her life. It is the story of a child, but it is not a story for children.
