We think of our dogs as part of the family. They are indispensable to us. So is it any surprise that when it comes to their health, we don't do anything to keep them comfortable? Today however, owning a pet has never been so expensive, with veterinarian costs that quickly add up, which often only produce mediocre results all the while exposing our lovable pets to painful and invasive procedures. We have more choices as pet owners these days however, conventional care is not your only option as more and more pet owners come to realize the benefits of homeopathic therapy. Here's just a small sample of what's inside: -Learn the difference between Aromatherapy and Essential Oils - Discover DIY treatments canine ailments -Learn which essential oils must NEVER be used on your dog -A list of common oils to keep on hand - Simple process of making your own essential oils -And so, so much more Whether you just want to maintain your pet's health between check-ups at the vet, or want to learn how to treat chronic conditions naturally, pick up this book, because this guide is an A-Z approach to your dog's health. There is nothing more rewarding to you and comforting to your pet than taking care of their needs in your own home. The only side-effect is wagging tails and lots of kisses. This guide is your complete resource on learning about which essential oils are the best and how to properly use them on your dog. Even if you are someone with zero or minimal knowledge on essential...
