

From Butterfly Wings To. Display Technology (Hardback)

By Josh Gregory

Cherry Lake Publishing, United States, 2014. Hardback. Book Condition: New. 241 x 190 mm. Language: English . Brand New Book. Learn about how nature has inspired technological innovations with this book on the similarities between butterfly wings and display technology for digital screens. Integrating both historical and scientific perspectives, this book explains how butterfly wings inspired the invention of new digital display technology. Readers will make connections and examine the relationship between the two concepts. Sidebars, photographs, a glossary, and a concluding chapter on important people in the field add detail and depth to this informational text on biomimicry.

Reviews

These types of ebook is the greatest book available. Better then never, though i am quite late in start reading this one. I am just very happy to explain how here is the very best pdf i actually have read through inside my individual daily life and can be he greatest book for ever.

-- **Camryn Runolfsson**

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
