Threshold Editions, 2016. Hardback. Condition: New. Language: English . Brand New Book. A vigorous call-to-arms to reignite American citizenship at home and restore American power abroad, using the timeless truths of Teddy Roosevelt s iconic Man in the Arena speech, by the Fox News contributor and decorated Iraq and Afghanistan war veteran. Pete Hegseth makes an impassioned and experiential argument for how Teddy Roosevelt s articulation of good citizens, equality of opportunity, and unapologetic U.S. leadership-- good patriots --can renew our imperiled American experiment and save the free world, in this fascinating, first-hand challenge to elite progressivism, ahistorical foreign policy, and status-quo politics. Despite contention surrounding Teddy Roosevelt s legacy, Hegseth argues that the Rough Rider s exhortation serves as a timeless wake-up call for our Republic. Hegseth resurrects Roosevelt s famous Citizenship in a Republic address--best known for the Man in the Arena quote--as a roadmap for addressing the massive challenges facing America today. In order to rejuvenate what makes America exceptional, we must unapologetically get back into Roosevelt s arena--as engaged good citizens at home and powerful good patriots in the world. Bolstered by gripping personal experience, Hegseth channels Teddy Roosevelt s words to make a case for turning America s highest ideals into action through the gritty virtues of citizenship, the dogged pursuit of equal opportunity, and aggressive commitment to winning the wars we fight--including the Iraq War. An exceptional American experiment was entrusted to average citizens in 1776 and has been perpetuated by every generation since.until now. If we won t fight for America, then what will we fight for? And if not now, then when? Get in the arena!.
