A psychometric concept map approach to understanding

VDM Verlag Dr. Müller E.K. Okt 2013, 2013. Taschenbuch. Book Condition: Neu. 228x151x15 mm. Neuware - Risk management is becoming a well established discipline, with its own body of knowledge and practitioners. States worldwide now have their own risk management standards and in many, it is the company directors' responsibility to ensure risk management compliance. A subset of risk management is security risk management; however, security risk is unique from other forms of risk management and many generic risk models...
