Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Power. Inhuman strength. Eternal life. Being turned into an immortal predator might sound appealing, but not to Rosalyn. Not when it means living as the most reviled member of the fairy realm. Transformed into a monster by her troll of an ex, Rosalyn is cursed with a monster's hideous form, stench, and predatory instincts. She is plunged into the dark underbelly of the fairy world that overlaps her quiet college town as she searches for a way to break her curse, and reclaim her humanity. The Underside is a contemporary fantasy novel about a woman dragged into a world she doesn't understand, where everyone she meets fears her, hates her, or wants to use her. She has to navigate this strange new world, trying to survive without hurting anyone until she reclaims her mortality, or loses the rest of her humanity trying.
