Reviews

This book can be worthy of a read, and much better than other. It usually fails to charge a lot of. I realized this publication from my dad and i encouraged this pdf to understand.

THE SOL OF JUPITER

Dreamspinner Press, United States, 2014. Paperback. Book Condition: New. 2nd. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. 2nd Edition Turner Michaels is an idealistic junior enlisted communicator who wants nothing more than to successfully execute his duties. After being transferred to a light armored reconnaissance unit in the middle of the Mojave Desert, the young Marine starts to feel a bit overwhelmed and out of place from his usual role of support until he is reunited with his old friend Jace Sozio. Jace is impulsive, headstrong, and loyal to a fault, but carrying a chip on his shoulder and keeping others at a distance is easier than being true to himself. Reconnecting with his closest friend from basic training might be simple, but the intense yet awkward attraction growing between them complicates both their personal and professional lives. Can devotion and honor be stronger than bigotry and misperception? The Corps has always been a sacred brotherhood where men and women trust each other with their lives but Turner and Jace will have to find a different way to fit the General Issue mold. First Edition published by Thaddeus J., June 2013.
