Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from French Furniture Under Louis XV IS our modern passion for these pieces of furni ture, originally made for the lower middle classes and even the peasantry, and now used to adorn the most refined interiors, a totally irrational one, due to a mania for everything Old, irrespective of its merits? By no means. Not only do they deserve their honours for the most part, by reason Of their beauty Of line and material, the soundness Of their construction, and the fresh originality of their decoration, but it is certain that even at the period when they were made, no social prejudice banished them from the most elegant houses. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
