Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . It will be understood that in my accounts of the excavations in Palestine I am dependent entirely upon the reports given by the excavators themselves. I have endeavoured to summarize, as well as I could within the limits at my disposal, the principal results which had been gained: but it must be remembered that, where there are no inscriptions telling us distinctly what the objects found were, mistakes are possible,...
